This is a Graduate-level course introducing students to ongoing research in the field of American Indian Studies in a proseminar / colloquium format. Advanced graduate students, within the field, are expected to present their work in progress; all are expected to attend each seminar and provide presenters with critical and constructive commentary on papers.

The class is held on Wednesday from 10:10 to 11:40 am.

*Enroll in AIS 6010 to receive (1) credit for your participation.*

Seminar is led by Dr. Paul Nadasdy, Director of the Graduate Field of American Indian Studies and Associate Professor in the Department of Anthropology, 255-4040 | pn79@cornell.edu
